Book Details:

Review: My two little ones destroyed our soft cover version of this book. The hard cover and binding will hold up with daily use. Also the pages are washable! Its my sons favorite book (2 years old). There was a delay in shipping, but it wasnt the sellers fault... we moved shortly after ordering it. Wonderful book. Worth the price and shipping hassle....

Description: A is for ark. But did you know that if you turn an A upside down and round the point out a little, it becomes an ark? B is for balloon. But did you know that if you blow it up really big, the hole in the middle floats away like a balloon? In this wonderfully creative alphabet book, letters are pulled, twisted, reversed, and curled until they become part...
